

TERMS OF USE

This Terms of use ("Agreement") is an agreement between you ("User", "You") and Web4 Solutions Limited, company registration code: 239845, legal address of the company: Suite 3, 1st Floor, La Ciotat Building, Mont Fleuri, Mahe, Seychelles (" Company", " We ").

1. General Terms of Use

1.1. Please carefully read this Agreement on the terms of use of the Company's services ("Service") before registering on the site <https://demi.gg> ("Site").

1.2. By registering on the Site, you agree to this Agreement and express your consent to the terms of use of the Services, as well as accept all policies, contracts, and other documentation posted on the Site, which are essential and integral parts of this Agreement and which will be legally binding for you.

1.3. We may amend or amend this Agreement by publishing the amended Agreement on the Site.

The Agreement may be amended by us without any special notice, the new version of the Agreement comes into force from the moment it is posted on the Site, unless otherwise provided by the new version of the Agreement.

1.4. You are obliged to regularly check the terms of this document for changes and/or additions.

1.5. Your continued use of the Site and Services after making changes and/or additions to this document means acceptance and consent of the User with such changes and/or additions.

1.6. In case of disagreement with any of the terms of this Agreement, as well as contradiction of the terms of the Agreement to the norms of the legislation of the country of your location, you undertake not to use the Site and Services, otherwise you will independently bear all losses and expenses caused by non-compliance with the above documents both to us and to third parties.

1.7. In order to have the right to use the Services and the Site, you declare and guarantee that:

- You are at least 18 years old and have reached the age prescribed by law in the relevant jurisdiction;
- You are an individual with full legal capacity and authority sufficient to agree to this Agreement;
- You are the rightful owner of the funds used to obtain Services in accordance with these Agreements, and these funds come from legitimate sources;
- You do not provide us with misleading, unreliable or fraudulent information;
- You have not previously been prohibited or restricted from using our Site;

- You are not subject to any trade embargoes or sanctions of any country or organization and are not trying to help any third party circumvent any trade embargoes or sanctions regimes;
 - You are not violating any of the provisions of this Agreement or applicable laws and regulations;
 - You are not a citizen (resident) of countries where, according to local law, there are restrictions on receiving Services offered by the Company or it is prohibited to interact with cryptocurrency.
- 1.8. The Company reserves the right to choose the markets and jurisdictions in which it operates, and may also restrict or refuse to provide Services in certain countries, if it deems it necessary.
- 1.9. The Company's services, due to the uncertainty of the legal regime of digital assets in many jurisdictions, can be risky.
Please do not use our Services if you do not understand these risks.
2. Our Services
- 2.1. The company is engaged in extracting profits from mining activities.
- 2.2. The Company provides Users with the opportunity to purchase tokens DEMI ("Token"), secured by income from mining activities, as well as to use other Services available for use on the Site at the time of acceptance of this Agreement.
- 2.3. The token is used to participate in stacking mechanisms in order to receive additional remuneration.
- 2.4. Tokens are available to Users by purchasing them on decentralized exchanges or through the Company's dApp.
- 2.5. In order to receive rewards from staking, the User needs to link their BTC-address to their personal account and then place their Tokens into staking.
- 2.6. Tokens are not securities and do not grant Users the rights to participate in the management of the Company or the rights to receive dividends.
- 2.7. The terms and conditions of staking, including the terms and conditions of technical methods of accrual of remuneration from staking, terms of withdrawal of User's funds from staking are defined on the Site.
- 2.8. Tokens are not securities and do not provide Users with rights to participate in the management of the Company or rights to receive dividends.
3. Access to Services
- 3.1. Users get access to the Services through the Site.
To do this, Users must register on the Site to receive a personal account.
- 3.2. There is no requirement on the Site for User identification to access the Services, including when purchasing Tokens, the Company does not collect User data.

- 3.3. In this case, if there is a reasonable need, the Company has the right to request, and the User agrees to provide the necessary personal information requested for the purpose of identity verification. This information is used to prevent and detect cases of money laundering, terrorist financing, fraud and other financial crimes on the Company's platform.
- 3.4. Each registration is intended for only one User, and each user can have only one active personal account.
- 3.5. The User is prohibited from providing information about his access to the personal account to third parties or other Users.
- 3.6. The Personal Account can only be used by the User in whose name it is registered. The Company reserves the right to suspend, block or cancel a personal account that is used by another person. The User must immediately notify the Company if the User suspects or knows about the unauthorized use of his username and password. The Company is not responsible for any loss or damage resulting from the use of the personal account by the User or any third party (regardless of whether the User is allowed to use it or not).
- 3.7. In case of theft of information for access to the account or the account itself by a third party, the User bears the burden of proving his innocence. By providing any personal information that may be required, the User confirms that the information is accurate and reliable, and agrees to update it if any information changes.
- 3.8. The User is fully responsible for any losses or expenses incurred during the use of the Site, if it is impossible to contact the User through the provided contact information.
- 3.9. By accessing the Site, you authorize to send directly or through third parties requests that the Site deems necessary to confirm your identity or protect you and/or the Site from fraud or crime, as well as to take measures that it reasonably deems necessary based on the results of such requests.
4. Representations and warranties
 - 4.1. The User hereby warrants the Company the following:
 - that does not reside in any region where the use of the stacking, or other services provided by the Company is expressly prohibited under applicable law;
 - that he has sufficient knowledge and experience in business and financial matters, including sufficient understanding of blockchain technologies, crypto tokens and other digital assets, smart contracts, storage mechanisms (digital or token wallets) to assess the risks and benefits of acquiring Tokens, including the matters set out in this Agreement, and may bear risks, including the loss of all funds contributed, loss of Tokens and liability to the Company and other persons for their actions and omissions, including actions that are in breach of this Agreement, negligence, fraud;
 - that he or she was aware of the fact that Token could be subject to significant price fluctuations due to unforeseen changes in the market or changes in legislation. In addition, cryptocurrencies are exposed to the risk of hacker attacks, which can lead to loss of investment capital of the User;
 - he or she has received sufficient information to make a reasoned decision to participate in the acquisition of Tokens;

- Funds, including virtual currency or cryptocurrency, which the Buyer uses to purchase Tokens, are not associated with any illegal activity, including money laundering or the financing of terrorism;
 - The Buyer shall not use Tokens to finance, participate in or otherwise support any illegal activity;
 - all transactions of the Buyer in accordance with this Agreement will be performed only on behalf of the Buyer, from a digital wallet or bank account, not located in the country or in the territory, which were entered in the "black list" approved by the Financial Action Task Force (FATF);
 - To the extent required by the applicable legislation, the Buyer shall comply with all requirements to combat money laundering and the financing of terrorism;
 - Neither the Buyer nor any person having a direct or indirect beneficial interest in relation to the Buyer or Tokens received by the Buyer, nor any person for whom the Buyer acts as agent or representative for the purchase of Tokens, is not subject to sanctions that are applied or enforced by any country or Government, or is an organization or national of a country or territory recognized as being the object of sanctions throughout the country or territory.
- 4.2. The company strongly recommends that you analyze your investment opportunities, taking possible risks and considering your personal financial circumstances before you understand the decision to purchase Token.
5. Restrictions and Intellectual Property Rights
- 5.1. License: We grant you a limited, non-exclusive, non-transferable license under this Agreement to access and use the Services and related content, materials, information ("Content") exclusively for the approved purposes permitted by the Company. Any other use of the Site or Content is strictly prohibited, and all other rights, titles of ownership and interests in relation to the Site or Content are the exclusive property of the Site and its licensors.
- 5.2. You agree that you will not copy, transfer, distribute, sell, license, reverse engineer, modify, publish or participate in the transfer or sale, as well as in any other way use any Content, in whole or in part.
- 5.3. The Site will not provide, exchange or otherwise disclose your transaction data or personal information to anyone, except for the purposes and means specified in our Privacy Policy.
6. Guarantees and limitations of liability
- 6.1. Despite the fact that We intend to provide accurate and timely information about the Services, it may not always be completely accurate, complete or up-to-date, and may also contain technical inaccuracies or typographical errors. The Site and its components are offered solely for informational purposes; the Site is not responsible for the accuracy, usefulness or availability of any information transmitted or provided through the Site and is not responsible for any errors or omissions in this information.
- 6.2. By using the Site, you agree that the Company is in no way responsible for any consequences arising from the use of the information provided by the Site.

- 6.3. We do not accept any responsibility for any damage or outages caused by any computer viruses, spyware, scaremongers, Trojan horses, worms or other malicious programs that may affect your computer or other equipment, as well as any phishing, spoofing or other attacks. We recommend that you regularly use reputable and easily accessible software to check and prevent viruses.
- 6.4. Despite the fact that the Company takes all necessary and reasonable measures to maintain the functionality of the Site, using it Users do so at their own risk. The Service is provided without any warranties, representations and warranties, express or implied, provided by law with respect to the software or sites, including, but not limited to, warranties or Agreements of quality, performance, non-infringement, merchantability and fitness for a particular purpose. The Company does not represent or warrant that the Site or any other software associated with it will always be available, uninterrupted, timely, secure, accurate, complete and error-free, or will work without loss of packages.
- 6.5. The Company is not responsible for:
- loss of any actual or expected profit, income or any indirect, special, incidental or consequential damages and missed opportunities;
 - any indirect, special, incidental or consequential damages;
 - any damage or corruption of data (direct or indirect);
 - loss of business reputation (direct or indirect).
- 6.6. The Service may include services, content and information owned, provided or otherwise licensed by a third party ("Third-Party Services"), or contain links to Third-Party Services.
The User accepts that the responsibility for Third-Party Services is borne by the third party that created or provided them, and you acknowledge that you use such Third-Party Services solely at your own risk.
The Company makes no representations and excludes all warranties and obligations arising from or related to such Third-Party Services, including their accuracy or completeness.
- 6.7. All intellectual property rights in relation to Third-Party Services are the property of the respective third parties.
7. Force majeure circumstances
- 7.1. We are not responsible for delays, malfunctions or service interruptions that are directly or indirectly caused by any cause or condition beyond our reasonable control, including, but not limited to, any delay or failure due to any natural disaster, actions of civil or military authorities, actions of terrorists, civil unrest, war, strikes, labor disputes, fires, interruptions in telecommunications or Internet services or network provider services, failure of equipment and/or software, other disasters or any other incidents beyond our reasonable control and not affecting the validity and applicability of any other provisions.
8. Suspension, termination and cancellation
- 8.1. The Company may suspend, restrict or terminate your access to any or all of the services and/or deactivate or cancel your access to the Site if required by a valid subpoena, court

order or binding order of a government authority; or We reasonably suspect that you are using our Site in connection with prohibited use or business; or the use of your account is the subject of any pending litigation, investigation or government proceeding, and/or We believe that there is an increased risk of non-compliance with laws or regulations related to your activities; or our service partners are unable to support your use; or you take any actions that the Company considers how to bypass control.

9. Security of access to information

9.1. You must ensure proper security and control of any identifiers, personal identification numbers (pins) or any other codes that you use to access the Site. Any loss or compromise of the above information and/or your personal information is your responsibility, and this may lead to unauthorized access to your account on the Site by third parties and loss or theft of funds stored in bank accounts and credit cards associated with you. You are responsible for ensuring that We constantly update your data in order to receive any notifications or alerts that We may send to you. We are not responsible for any losses that you may incur due to the compromise of your login credentials through no fault of the Site and/or non-compliance with any notifications or warnings that We may send you, or inaction in connection with them. If you believe that your information for accessing the Site has been compromised, contact the Site's support service immediately.

10. Resolution of complaints

10.1. If you have any feedback, questions or complaints, write us an email via the Site.

10.2. If a complaint is received, please indicate the reason for your complaint, how you would like Us to resolve the complaint, and any other information that you consider relevant.

10.3. The User Complaint Review Agent will review your complaint without prejudice, based on the information provided by you and any information provided by the Service.

10.4. Your complaint will be considered within a reasonable time.

10.5. The Agent will offer to resolve your complaint as you requested, or will issue a ruling on the rejection of your complaint and state the reasons for the rejection, or will offer to resolve your complaint by an alternative solution.

10.6. You agree to use the complaint procedure described in this section before filing any claim with a competent court. Failure to comply with this provision may be used as evidence of your unwillingness to resolve the problem and/or the unpleasant nature of the complaint.

11. General provisions

11.1. The Company does not offer general or personal financial advice. Nothing on this Site is intended and should not be perceived as financial, legal or tax advice. Users should themselves seek advice on financial, legal, tax and accounting issues regarding the likely results of virtual currency trading.

- 11.2. The Company is not your agent in the implementation of this Agreement. This Agreement shall not be interpreted as facts or evidence of an association, joint venture, partnership or franchise between the parties.
- 11.3. You have no right to assign or transfer any of your rights or obligations under this Agreement without the prior written consent of the Company, including any rights or obligations related to the enforcement of laws or change of control. We may assign or transfer any or all of our rights or obligations under this Agreement, in whole or in part, without your consent or approval.
- 11.4. Notwithstanding any other provisions of this Agreement, any translation of these terms is provided for your convenience.

12. Privacy Policy

- 12.1. The Privacy Policy is published on the Website and is an essential and integral part of this Agreement.
- 12.2. The Privacy Policy is based on the principles that ensure the protection of your personal data:
 - Legality, fairness and transparency: data processing must be carried out honestly, in accordance with applicable law and in a transparent manner;
 - limitation of purpose: data processing is limited to the purpose of providing services;
 - data minimization: personal data is collected to the extent necessary for processing purposes;
 - Accuracy: We take all reasonable measures to maintain the accuracy and relevance of your personal data, otherwise we delete them;
 - Storage restriction: We store your personal data in a form that allows us to identify you as a data subject for as long as it is necessary for processing purposes.;
 - Integrity and confidentiality: when processing your personal data, we provide protection against unauthorized or illegal processing, accidental loss, destruction or damage.
- 12.3. The Company collects and processes personal data with your consent in order to fulfill legal obligations to which the Company is subject, or when, in our opinion, it is necessary for the purposes of legitimate interests pursued by the Company or a third party that may require disclosure of information. We collect and process personal data when it is necessary to fulfill our agreements with Users in order to provide a fully functional service and appropriate amenities. Data collection is necessary to maintain contact with our Users, as well as to ensure the stable operation of the service and its optimization. We may also use your personal information to send important notifications, such as messages about purchases and changes to our terms, as this information is important for your interaction with the Site.

13. Cookie Policy

- 13.1. When you visit our Website, we or our partners may place small data files called cookies on your computer or other device. Cookies have been designed to help the website

operator determine that a particular User has visited the site before, and thus save and remember any settings that may have been set.

- 13.2. Cookies are necessary for the functioning of the Site and cannot be disabled in our systems. They are usually installed only in response to actions you perform that constitute a request for services, such as setting up your privacy settings, logging in or filling out forms.
 - 13.3. Cookies allow us to count visits and traffic sources, so we can measure and improve the performance of our Site. They help us find out which pages are the most and least popular, and see how visitors move around the Site. All information collected by these cookies is aggregated and therefore anonymous.
14. Jurisdiction. Dispute resolution
- 14.1. The validity, interpretation and execution of this Agreement are subject to subordination and interpretation in accordance with the legislation of the Republic of Seychelles.
 - 14.2. If any provision of this Agreement or its application to any person or circumstance is declared invalid or unenforceable, the remainder of the Agreement or the application of this provision to other persons or circumstances should not be affected and remain in full force.
 - 14.3. All disputes and disagreements that arise on any issues and threaten their rights and interests related to the drafting or application of this Agreement, or any costs, obligations under this Agreement or in relation to any action related to this Agreement, are subject to settlement through negotiations.
